

Introducing the Santa Fe™ Compact

It goes where no high-efficiency dehumidifier has gone before!

amazingly compact
amazingly powerful
amazingly efficient

The Santa Fe™ Compact is the first compact, high-efficiency dehumidifier designed to fit in tight, low-clearance applications. The Compact removes up to 65 pints per day, is Energy-Star rated, quiet and effective. Santa Fe dehumidifiers are your choice for superior performance.

Santa Fe Compact Dimensions

Width: 21" Height: 12"
Depth: 12" Weight: 55 lbs

Minimum Performance at 80°F and 60% RH

Water Removal: 65 pints/day
Efficiency: 4.1 Pints/kWh

Current Draw: 5.50 Amps

Air Filter: MERV-11

In a crawlspace environment (60°/60% RH), the Santa Fe Compact REMOVES 4 TIMES THE WATER OF THE COMPETITIVE PRODUCT and does so using much less energy, saving you money!
